Community Pride Scheme 2019

Ethos and focus of awards

The purpose of the Wicklow County Councils Community Pride Scheme is to support group with **LARGE projects that make a significant impact and difference to the lives of the people in their community** under the any of the following headings:

- Community Wellbeing

A maximum of 5 grants will be awarded under this category. The maximum grant available is €10,000.

The Award Scheme gives the County Council the opportunity to recognise and value the voluntary contribution made by local groups in their own localities.

Social inclusion is a central theme of the Programme – Social Inclusion is about focusing on the needs of marginalised and disadvantaged groups such as people with disabilities, the unemployed/low income groups, travellers, homeless, lone parents, gay/lesbian/bi-sexual/transgender community, older people, children/young people, rurally isolated etc.

Applications will not be accepted from statutory bodies. Proposals from individuals will generally not qualify.

Pride of Place 2019

Pride of Place in the Community is a National All-Island competition which is directed towards recognising improvements by local communities to create civic pride in their area. The competition focuses on people coming together to shape, change and enjoy all that is good about their area. It is a unique opportunity for community groups to be officially recognised for the valuable work undertaken in their local areas. Successful applicants may be nominated to represent County Wicklow at the All-Island National Pride of Place competition. Wicklow County Council will support these Community Pride winners to represent Wicklow in the All-Island Pride of Place competition
